COMPETITIVE SOCIAL TRIVIA

FOR BALANCED TEAMS WITH A GOOD KNOWLEDGE OF TRIVIA

Complete Trivia is the quiz for people who play trivia on a regular basis. It's a challenge! Habitual trivia players are astounding people who can accurately remember facts on a wide variety of diverse topics.

Although top teams have a person on their team with an excellent memory, most teams don't have, or need, a rocket scientist! Families and friends play as a team. A senior remembers the jazz era, a teen knows the new movies, most people love music. Teams look for a sports fan, a geography nut, someone who reads a lot. Every player contributes to their teams success.

COMPLETE TRIVIA FORMAT

2 + 1/2 HOUR SHOW OF 2 ROUNDS WITH AUDIO & PICTURE CLUES

The Complete Trivia quiz takes two and a half hours and has two rounds of 20 questions, with audio and picture clues, jackpot and spot prizes. It is an invigorating social quiz, with a subtle host, enabling players to discuss their answers with their team. It was specifically designed for a wide variety of clients.

Complete Trivia has complex questions with multiple answers, simple questions, riddles, Who am I, What year, What name? The quiz covers a huge range of popular culture topics, current events, sports records, awards and who's in the news. If our quiz was not engaging, our players would move on. Yet some of our venues have run a Complete Trivia quiz for over 10 years, retaining players that were there when it began.

DIFFERENT QUIZ EACH WEEK.

Complete Trivia questions have players discussing, thinking and guessing to win every extra point they can get for the team.

They debate clues, talk about life and often stay on and socialise.

PLAYERS LOVE THE CHALLENGE.

Trivia players are a loyal, quiet audience who will visit every week if they can, and enjoy what your venue has to offer.

If you value regular tables full of players, buying meals every week, your venue will keep this trade for many years to come.

PEOPLE RETURN EVERY WEEK.
